## LOCAL MATTERS.

Sun rises to-morrow at 4:44 and sets at 7:50. High water at 11:54 a. m. and 6:00 p. m.

WATKINS' PROBABILITY.—For this time last night and Thursday, probably about the same; but, warmer to-night, and cooler to-morrow.

**STOLEN PROPERTY RECOVERED.**—A few nights since the residence of Mr. Richard Murphy, on Myrtle street, in the extreme northern part of the city, was broken into and robbed of an entire suite of furniture, beside a number of small articles. On the same night the office of Col. L. C. Barley, on South Royal street, was robbed of jewelry and other valuable articles. On Saturday night the grocery store of Mr. Matthew Axton, on Pendleton street, was burglarized, the thieves carrying off a quantity of groceries. On Sunday morning Policeman Lyles secured information which resulted in the arrest of James Grayson, colored, for the latter robbery and the recovery of the goods at the home of Amelia Lee and Eliza Williams, also colored. When Grayson was taken to police headquarters Chief Webster suggested that the women in whose house the goods were found should also be arrested, and yesterday he issued an order directing the officers to place them both in custody. The chief, from his long experience with crooks, and especially with the two women, who have given trouble before, proved correct in surmising that other stolen goods would be recovered by the arrest of the suspects. Policemen Lyles and Knight were detailed on the case, and when they visited the house occupied by the women they were rewarded by finding all of the articles stolen from both Mr. Murphy and Col. Barley. A large quantity of other goods, which were also thought to have been stolen, were placed in a wagon and taken to police headquarters. Grayson, the negro who was arrested on Sunday, has confessed to all three robberies. A gentleman residing near Porter's brewery, on going into his parlor Sunday morning, discovered that the contents of the room, including the carpets, had been packed up ready for removal. This is thought to have also been the work of Grayson, who was doubtless scared off before he had completed his job. This morning the Mayor committed Grayson and the two women to jail to appear before the Corporation Court.

**DEATH OF MR. JAMES GRIGG.**—The critical illness of Mr. James Grigg, which had been referred to in the Gazette, resulted in the death of that gentleman at his home on Columbus street, between King and Prince, last night. The deceased was 75 years old. He became critically ill a few days ago and it soon became apparent that his death was a matter of but a few days. He lingered in a semi-conscious state until last night, when he peacefully passed away. The deceased was born in Alexandria, and lived in this city and neighborhood all his life. Forty years ago he conducted the grocery business in West End, opposite the Catts Hotel. After the war he for a time was engaged in the grocery business on King street, and subsequently conducted the old soap factory on North Union street, near Fish-town. Mr. Grigg was one of the oldest Masons in the country, he having been "entered," "passed" and "raised" in the "forties." He was an earnest student of the principles of the craft and was a member of Mount Vernon Royal Arch Chapter, Alexandria-Washington and Andrew Jackson lodges A. F. and A. M., and Old Dominion Commandery of Knights Templar and was Tiler of those organizations. He was also a Past Grand of Sarrapta Lodge of Odd Fellows. Throughout his life he had been a consistent member of church and was always actively engaged in its different labors. Mr. Grigg's golden wedding was celebrated last spring. His wife died on the 1st ultimo.

**POLICE COURT.**—Mayor G. L. Simpson presiding.—The following cases were disposed of this morning: Frank Payne, colored, arrested by Officer Sherwood, charged with stealing two dollars from John Simms, was fined \$5 and in default of payment was sent to the chain gang for twenty days.

Amelia Lee and Eliza Williams, both colored, arrested by Officers Lyles and Knight, charged with being accessories to the robbery of Richard Murphy's house and L. C. Barley's office were sent on to court.

James Grayson, colored, charged with being a principal to the above offenses, was also sent on to court.

Patrick Gallagher, arrested by Officer Lyles for vagrancy, was sent to the chain gang for ten days.

Night Report.—Last night was clear and mild. Five prisoners and one lodger were at the station house.

**FIRE IN SOUTH WASHINGTON.**—South Washington had two destructive fires yesterday evening. The first occurred at 2 o'clock in the tailoring establishment of Max Needle, 319 Seventh street southwest. Mrs. Needle attempted to light a gasoline stove, when it exploded. Her little child was in the room and was seriously burned. The effects of R. B. Donald, a lodger in the house, were also destroyed. The second fire was at the stables of Thomas W. Riley, Eleventh and Water streets. Three stables were destroyed and the oyster houses of J. H. Birch, D. N. Faunce and J. E. Donaldson and the carpenter shop of James Bryan were damaged. The total damage is about \$4,200.

**BITTEN BY A DOG.**—About seven o'clock yesterday evening Grace, the little daughter of Mrs. Herman Axton, who lives on the corner of Patrick and Pendleton streets, was seriously bitten by a dog belonging to Robert Penn, who lives in the neighborhood. The brute seized the little girl by the face and tore the flesh fearfully before she could be rescued. Dr. Jones was summoned and he dressed the child's wounds. Later Officer Wilkinson killed the dog.

**FIGHT IN CAMP.**—At an early hour this morning four members of the Third Regiment who had overstayed their leave left this city in a vehicle driven by Geo. Chichester to return to Camp Alger. On arriving there a row occurred between the guard and the men, which resulted in the latter being arrested by order of Col. Nalle and placed in the lock-up. The vehicle was sent back to this city by a member of the Alexandria Light Infantry.

**ENTERTAINMENT.**—A number of ladies and others interested in the welfare of our "soldier boys" feel that a permanent relief association for their benefit should be organized, and in order that the sympathy of the public should be enlisted and manifested toward those brave men, who have gone to the front from our midst, a grand entertainment has been planned, which will embrace music, both vocal and instrumental, from our best talent, interspersed with tableaux, in which will appear some of our beautiful Alexandria young ladies, representing some of the war cartoons that have appeared from time to time in the newspapers.

Mr. Hill has generously loaned the Opera House for the purpose, thus showing his own interest, and the 20th of June has been chosen for the entertainment. All our citizens are cordially invited to assist. Mothers, wives, sisters, sweethearts you will be sure to buy tickets for this occasion. We hope to raise a large fund so as to begin operations at once, and to establish a permanent relief fund for the brave men of Co. F, 3d regiment, and to create an organization that during the war will contribute to their comfort wherever they may be ordered. A called meeting of ladies interested will be held at Lee Camp Hall to-morrow, Thursday, at 10 a. m.

**WOMAN'S AUXILIARY.**—The regular monthly meeting of the Woman's Auxiliary was held in the Camp Hall yesterday evening. There was a good attendance of members, and an interesting meeting was had. The Marker Committee report at all the Markers up to that had been contracted for, and that as the funds permitted, more would be erected. Five more names had been added to the list. The auxiliary is more than satisfied with the work. The various committees for the work on the 24th reported that the auxiliary was much pleased with the efficient manner in which the work had been carried out. The secretary was authorized to thank all through the papers for their donations and able assistance on the 24th. Other important business was transacted, and the auxiliary then adjourned till the first Tuesday in October.

**ANOTHER CHURCH.**—The old Fendall residence, northeast corner of Fairfax and Wilkes streets—or rather the front part of it—is to be used hereafter for church purposes. A band, composed of men and women, who are of the Methodist persuasion came here from a northern city recently and began holding street corner meetings. They have since concluded to open a church in Alexandria, and for this purpose have rented the house referred to above. The band claim to be teaching Methodism in its primitive purity, and they inveigh against the use of tobacco and stimulants. Their principles are similar to those held by the Free Methodists.

**COUNTY LAND SALES.**—The following sales of county real estate have recently been made: E. J. Palf to J. D. H. Lunt a lot in North West Alexandria.

C. E. Wood to Wm. O'Connor a lot in Del. Ray for \$150.

Mary F. Febray to Alvin M. Lothrop 13 acres near Falls Church for \$600.

P. P. Lewis to Emma C. Cothan et al. lots in Arlington Heights.

**DICTIONARY RECOVERED.**—Lieutenant Smith yesterday recovered in Washington the dictionary stolen from the Washington school building one night last week. Detective McDevitt found the book in a second-hand store on F street, near Seventh. The proprietor stated that it was brought to the store by a man about 50 years old who wore a gray moustache and who disposed of it for five dollars.

**PERSONAL.**—Mrs. Jno. S. Barbour, of Culpeper, is visiting Mrs. Geo. Drewry, on Prince street.

Miss Acton is the guest of the Misses Makely, at the Oaks, at Edenton, N. C.

Mr. T. H. Thompson, assistant dispatcher for the electric railroad, has been vacationing for a few weeks and Mr. C. E. Watkins is acting dispatcher until he returns.

**SERGT. W. E. D. KRAUSS**, of the Third Regiment Field Band, was in the city to-day trying to secure a sufficient number of musicians to form a band for that regiment and also to secure all the government property held by the Field Band. He this evening carried back to camp with him Wm. Carroll, bugler, and W. H. Swain, drummer.

**GRAND JURY.**—A special grand jury has been summoned for Monday next in the Corporation Court in order that such matters as may be likely to come before such jury may be investigated and resulting cases tried before the hot weather sets in.

**OPERA HOUSE.**—Professors H. E. Saltman and William de Ford, of Washington, D. C., under whose direction the opera Pinocchio is to be given Friday night, have spared no pains to present the opera on an elaborate scale. Every detail of costume and scenic effect has had special attention and their work is most gratifying. The opera is bright and tuneful and is always received as an old friend, but this production will be unusually interesting from the fact that the company is composed entirely of children.

**A MEETING** of the Seventeenth Virginia Regiment Chapter was held this morning at Lee Camp Hall. Some amendments to the constitution of the State and chapter were considered and adopted. The following resolution was also adopted and passed unanimously: Resolved, that the Seventeenth Virginia Regiment Chapter recognizes the importance of aid to the organization for the relief of company F, Third Regt. ment, at Camp Alger, and recommends the individual members to give all the assistance in their power.

## LOCAL BREVITIES.

The exterior of Christ Church is being repainted.

Several excursion parties left here to-day in vehicles to visit Camp Alger.

At the meeting last night of Sarrapta Lodge of Odd Fellows nominations for officers were made.

The committee on poor of the City Council met last night and ordered the purchase of new iron garbage cart.

The remains of E. T. Fussell, who committed suicide in this city last Saturday, were taken to Washington to-day to be cremated.

Georgeanna Lewis was arrested by Officer Atkinson to-day for stealing meat and provisions from Mr. Thos. Travel's store at the corner of Pitt and Queen streets.

Lloyd Simmons, charged with gambling, was before Justice Sellers of the county yesterday, and after an examination the prisoner was discharged. He was represented by Messrs. J. H. Greene and J. R. Flainger.

The congregations of the M. E. Church, South, Village Chapel, Baptist, and Trinity Churches will unite in this evening's service at the Second Presbyterian church. Rev. Dr. A. C. Dixon, of New York, will preach the sermon.

Wm. Tabler, an old and esteemed colored resident of the county, died at his home near Torreyson's on Sunday and was buried from the Catholic Church at West Falls Church yesterday evening. To show the respect in which he was held as well known white residents of the county acted as pallbearers at the funeral.

## AT CAMP ALGER.

The troops at Camp Alger are busy discussing the prospect of moving. The report that they are to be sent to Ferdinand, Fla., is still unconfirmed, but the men in the First Division, which has been getting into shape very rapidly, are confident that some move will be made before long.

A Washington morning paper says: "The commission which was appointed to investigate the new site south of Alexandria did not report at the time ordered, as several were busy with work which needed immediate attention. They left camp, however, in the afternoon, and their report will be made as soon as it can be formulated. What the report will be is still a matter of conjecture, but it is known that some of the members are opposed to the change. It is asserted that the site proposed is not healthful and would, within a short time, put a large portion of the command in the hospital with malaria. On the other hand the much needed water supply would be in evidence, allowing the men to bathe as frequently as they wished. Springs are being discovered every day at the present camp and the men are rapidly being furnished with new sources of water supply."

So far as known here no officers visited the lands below this city yesterday evening. Mr. M. B. Harlow, who represents the owners of the lands to which it has been suggested the camp be removed, had an engagement yesterday evening to escort the officers to those lands, but they failed to come here. This morning, however, he received a message from the War Department saying the officers would be here this evening. Mr. Harlow has made arrangements for showing them the country south of this city, which is elevated and well supplied with water and which is well located for camp grounds.

Again the authorities are raiding the canteens, and yesterday afternoon it was discovered that there had been but little decrease in the sale of liquor, the only difference being that formerly beer was sold in bottles, while now it is being smuggled into camp by the keg.

Postmaster Willett, of Washington, was on the grounds yesterday morning when he endeavored to establish a money order division at the camp. It is stated that the government intends to erect a building for this purpose, but no move has as yet been made in that direction.

Visitors swarmed through the camp of the Third Virginia all day and several hundred visitors from Alexandria, Falls Church and the surrounding country were entertained.

Battalion drill in the Third Regiment was held for the first time yesterday, when companies K, M, G and C went through battalion evolutions under the command of Lieutenant Colonel Keller. The drilling of the companies was very good.
